Re: City of Bellaire Unleaded Underground Tank Removal Project

Dear Mr. Jackson:

I wanted to thank you for your professionalism and your special attention to detail on the removal of the unleaded-underground tank project the City of Bellaire commissioned your firm to do. We were very fortunate to work with you and your contractors.

The project was on time and under budget and the contractors were able to deal with the public in an extremely professional and courteous manner; they kept the site clear and safe for the duration of the project.

Your expertise and knowledge of such systems coupled with state and federal requirements helped ease the process. I appreciate the fact that you communicated with me every step of the way.

I certainly hope that we have an opportunity to work together in the future.

Sincerely;

A handwritten signature in black ink that reads "Diane K. White". The signature is written in a cursive, flowing style.

Diane K. White
Assistant City Manager
