SSCI's ecological services department is well versed in the Clean Water Act (CWA), Rivers and Harbors Act, National Environmental Policy Act (NEPA), Endangered Species Act, Migratory Bird Act and the National Historic Preservation Act.

SSCI's experience in regulatory permitting under Section 404 of the CWA and Section 10 of the Rivers and Harbors Act is based on a thorough understanding of the CWA and the USACE permitting process. Federal-specific and state-specific wetlands and water body regulations are incorporated into SSCI's project planning to provide our clients with sound solutions.

SSCI is a W/MBE and DBE in both Texas and Louisiana. We are also a Certified Contractor in several Purchasing Networks including the Choice Partners Cooperative, HGAC Buy, and Tips-USA Union Pacific. SSCI has been working to serve your environmental needs since 1986.
